

Invitation to the South East Tree Warden Regional Forum, 2018

Join us for a fascinating day where you'll hear from woodland and tree management expert, Hugh Milner, about how to create ecological impact, enhance biodiversity and benefit ancient trees within woodlands.

The afternoon will continue to delight, with an intriguing site visit to Vert Woods where you'll see how the management plan for this wood is being implemented, and hear how the community has connected with this beautiful area. These woods not only provide essential habitat for wildlife but you'll hear how they have brought solace to families and greatly benefited the wider community too. There'll also be the opportunity to be a part of how The Tree Council shapes a positive way forward for Tree Wardening.

This event is not to be missed, so book now!

Saturday, 6 October 2018

Laughton Village Hall
Church Lane,
Laughton, Lewes
BN8 6AH

9.30am – 4.30pm
